

USTDA CHINA MICROGRID AND ENERGY STORAGE BUSINESS BRIEFING

Thursday, May 25, 2017 • Grand Hyatt Hotel (36th Floor) • San Francisco, CA

The **U.S. Trade and Development Agency** is hosting the China Microgrid and Energy Storage Study Tour with a delegation of 20 clean energy executives from the public, provincial and private sectors in China. As part of the Study Tour, USTDA is holding a Business Briefing for U.S. industry.

PARTICIPATING IN THE BUSINESS BRIEFING:

- Informs your business about the needs and goals of China's energy sector
- Connects your company with key decision-makers and potential buyers
- Provides details on potential business opportunities
- Allows you to meet one-on-one with key officials from China's energy sector

TOPICS OF DISCUSSION WILL FEATURE:

- China's efforts to improve efficiency of its national and regional clean energy efforts
- Procurement opportunities in China for microgrid and energy storage
- Best practices related to microgrid and energy storage
- Regulatory climate in China
